## 2100 Watts

### COMMERCIAL MICROWAVE OVEN

## The Amana® HDC5212

The Amana line of heavy-duty compact ovens offer powerful heating performance in a space-saving design. The unique method of energy distribution provides superior even-heating, so your customers will notice your food, not your foods' temperature.

### Key Features

- ◆ 2100 Watts of power for fast heating.
- ◆ Ample 17 liter capacity easily accommodates a standard half-pan.
- ◆ Up to 100 programmable menu items simplifies cooking and ensures consistent results.
- ◆ Four Stage Cooking Option for one-touch cooking. Reduces prep time, labor and food waste while providing consistent results.
- ◆ 11 power levels for consistent, delicious results for frozen and fresh foods. Food can go from freezer to table in minutes.
- ◆ Unique method of energy distribution provides superior even-heating.
- ◆ User-friendly controls are easy to use and require minimal user training.
- ◆ Interior ceramic shelf is sealed and recessed to help reduce plate to shelf edge impact and keep spills contained.
- ◆ Interlock switch assembly is engineered for maximum durability and long life.
- ◆ X2 Multiple quantity pad calculates the proper cook times for multiple portions.
- ◆ Durable stainless steel exterior and interior for years of commercial foodservice use.
- ◆ Worldwide service network provides ongoing product support.

### A Powerful Oven that Provides ...

- ◆ Superior even-heating for consistent, delicious results
- ◆ Incredible durability for years of dependable use
- ◆ Easy ownership, maximum efficiency and profits
